Vehicle Types

Luxury Sedan

e.g. Mercedes-Benz S-Class

The preferred choice for global services, especially for roadshow logistics, includes both short and Long Wheel Base versions, with the latter offering extra rear legroom.

Passengers: 3 Baggage: 3

Executive Sedan

e.g. Mercedes-Benz E-Class

Despite its smaller size, the E-Class performs comparably to the S-Class in some situations and is more cost-effective, often resulting in lower chauffeur rates for clients.

Passengers: 3 Baggage: 3

Minivan

e.g. Mercedes-Benz V-Class

Preferred by chauffeur companies for its ‚Avantgarde‘ version, the V-Class is setting new MPV standards with enhanced features and comes in three sizes: Compact, Long, and Extra-Long.

Passengers: 5-7 Baggage: 7
