

RENNBAHN HOPPEGARTEN

[Link to meeting guide Berlin](#)

Founded in 1868, the 150-year-old Hoppegarten racecourse, the oldest and largest sports facility in the capital region, is an original Berlin institution. After privatisation in 2008, Hoppegarten has developed into Germany's most dynamic racecourse in terms of spectators, betting turnover and sponsors. In 2013, the 207-hectare complex was officially declared as "national monument" and is well equipped to become a leading venue for outdoor events in the capital region. In addition to a wide range of hospitality and sponsoring offers on a race day, the racecourse offers a variety of event possibilities on its beautiful ground.
