[Link to meeting guide Berlin](#)

NIKKUS Veranstaltungstechnik is the technical planning partner for event organisers and agencies producing conferences, trade fairs, and evening events such as galas and award shows. We start by creating a detailed plan which serves as the foundation for the success of the event as a whole. We then use the best equipment from our constantly growing inventory of event technology to realize the plan. True to our motto 'With a passion for events', the NIKKUS Veranstaltungstechnik team works every day to achieve the perfect event.
