

STUNTWORKSHOP FILMPARK BABELSBERG

[Link to meeting guide Berlin](#)

Doesn't everyone dream of being the hero in action films, who always masters dangerous scenes and masters everything brilliantly without injuries? Take a look behind the

Scenery and discover the exciting world of stunts and special effects. Behind breathtaking scenes that look so simple is the hard work of the stuntmen. Ob

as a burning torch, fencing master, daring jumper from different heights, accident victim, to whom nothing happens - the stuntman masters this and much more.

Support by experienced stuntmen, scenery use, installation of the volcanic arena and consumables, duration approx. 3 hours.
