

## GUIDED TOURS AROUND THE BERLIN ZOO

[Link to meeting guide Berlin](#)

Our experienced guides will take you through the animal world of all continents and you will learn more about the architecture and history of the zoo. You can book your event as a tour around the zoo or behind the scenes and/or feeding. The tours take approximately 70 minutes and are offered for groups of up to 20 persons. Moreover, we have exciting rallies in our programme.
