3793 products - 18 design classics

The **Party Rent Group** is a Europe-wide events supplier with 23 branches and more than 600 employees in 8 countries. We have been implementing holistic design concepts for events for more than 20 years, combined with a logistics service tailored to the needs of the events industry. Our promise: the perfect atmosphere.

Emotions - enactments - atmosphere

As a leading event furnisher/supplier/outfitter **Party Rent** exactly matches this setting. It is not just dry-hire and distributing sufficient rental equipment that matters.

It's all about involving unique atmosphere combined with individualized concepts in the background and thus usefully underlining the communication objectives. It has been proven that the right dramatization sustainably consolidates/ strengthens a communication message.
