Insider Tour Berlin has been pioneering cutting-edge English-language tours of Berlin since 1996. We take you to all the main sites with guides who supply a gripping narrative on this city's history, character and contemporary state. Insider's highly acclaimed and professional guides deliver well-informed and riveting accounts of the stories behind Berlin's turbulent history - from its very origins as a pagan fishing village, through to the opulent Prussian and Bismarck eras, taking in the first World War, Third Reich Berlin, Cold War Berlin, the fall of the Wall, finally culminating in the forming of this trendy, transparent, alternative and optimistic capital of the new Germany.
