

FLOWER & ART

[Link to meeting guide Berlin](#)

Flower & Art - Your creative partner in Berlin for event floristry. We offer you the suitable package according to your budget consisting of flower decoration materials and fabrics matching your event and corporate design. Together with you we develop and create personal and unique design concepts, no matter if company party, conference or meeting. In addition, we offer a wide range of different rental vases, which we provide for FREE and even deliver personally within Berlin.

We transform even the simplest rooms with love for detail into a harmonious, stylish and appropriate ambience.
