

LORD OF EVENT

[Link to meeting.guide Berlin](#)

We are a berlin based supplier for conference- and eventequipment. We maintain customers rooted in various branches such as pharma, industry and service sector on whose behalf we realize complex technical concepts. Public Adress -, Interpreter -, Light - and Video systems are our core competencies. Sustainability is not a modern trend but an inherent part of our mission statement. We regulate our yearly emmissions through certificates and thereby work 100% climate-neutral.
