Today, with 20 years of experience and with a team of event and tourism experts, we are one of the leading agencies in northern Germany. We develop innovative concepts and realise them professionally and keep your budget in mind. You can expect a customised experience and full-service project management, both for content and logistics. Your advantage, an event with value added and a vibrant communicative goal for your target group. We organise and accompany every event in Germany and Europe. From corporate to conference, team building to workshops, product presentations to incentive tours whether directly on our doorstep, at the beautiful Baltic Sea or somewhere else completely.
