

HUMBOLDT-BOX SKY-LOUNGE

[Link to meeting guide Berlin](#)

The Sky-Lounge on the 4th floor of the Humboldt-Box offers a sophisticated room utilisation system. This results in three different possible uses for the event location with space for up to 300 people on a maximum of 370m². The Sky-Lounge can be divided into the rooms Domblick (approx. 85m²), Schlossblick (approx. 165m²) and Welcome Area (approx. 140m²). The combination of two rooms is possible at any time. Take your chance until mid-2019 and experience the fascination of urban style, extraordinary architecture and a magnificent view above Berlin's centre in the Humboldt-Box Sky-Lounge.
