

## HERE/TO/NOW GMBH

[Link to meeting guide Berlin](#)

Brainstorming overlooking the Spree? Calming down after heated discussions against the backdrop of cool street art? Or signing big contracts after all in a historical setting? As a DMC for more than 12 years, we have a burning passion for creative meeting and event concepts that kindle the interest of participants. For emotional, authentic and focussed experiences in short: for perfect moments.

### SERVICES

Individual planning of meetings and conferences  
Conceptualisation and implementation of support and evening programmes  
Design of individual communication media
