[Link to meeting guide Berlin](#)

The Water pump station Wilmersdorf is located in Berlin-Wilmersdorf. Since 2001 the machine reverberations with a total area of 1.015 m² and a light height of 13 m as well as several rooms for technical equipment, wardrobe, office, kitchen and restrooms can be used as an event location. The facade of the industrial building standing under conservation of monuments and historic buildings receives the visitors with the charm of the good old time. Behind the front door an elegant and trendy furnished special location expects you which offers the ideal frame for events of all kind. The still available pumping machines attract the attention of the guests without fail.
