Located in the heart of the 'Capital of Spies', it is unique as an up-to-date venue. The more than 3.000 m² (32.000 sqft) sized Museum provides specially designed rooms for events of any kind: From the SpyCinema equipped with two laser projectors to the Global Operation Room, which can be divided in East and West and which attracts attention during 'secret conferences' not only with its 84" UHD 4K screen hidden in the spy mirror.
