[Link to meeting guide Berlin](#)

Since May 2015 the Westhafen Event & Convention Center is one of Berlins most exciting venues on a previously undiscovered site. The 40seconds Group represents this multifunctional venue which is equipped with the most up to date media, light and sound technology. Furthermore, WECC is stocked with advanced conference and event equipment. The heart of the building lies within the first floor. What completes this multifunctional space is the 12.40 meter ceiling and two impressive halls which can be arranged in various ways. Next to the foyer on the ground floor is the separate and flexible conference area. Here you will find the right space to make a success to your plans. The WECC is situated in Mitte, an area which is connected to all major hubs, roads, waterways around and in the city centre of Berlin. We look forward to hearing from you.
