

VOLLGUTLAGER BERLIN

[Link to meeting guide Berlin](#)

The rough character of a former production hall combined with the remnants of the creative underground scene meet in the VOLLGUTLAGER and make up its special charm. We consciously maintain and preserve this character. The great flexibility of the room is the playground for your creativity.

For a professional implementation of events, the infrastructure has been adapted to the needs of a modern meeting place. A heating and ventilation system ensures pleasant temperatures and fresh air. Internet and WLAN are available.

An impressive entrance situation offers our tunnel which leads the guests on our gallery.
