

MOTORWERK BERLIN

[Link to meeting guide Berlin](#)

With its impressive dimensions, it is one of the few off-locations in Berlin, which has preserved its appearance until today.

The core of the Motorwerk is the huge hall with remarkable proportions of its ground floor. It covers a length of 90 meters, an area of about 3,000 square meters and offers ideal conditions for fashion shows, get-togethers, dinners, product launches, fairs and exhibitions.

A large outdoor area next to the building can also be used, other rooms in the building are available (i.e. for breakout sessions).

The WLAN is connected to the internet via fibre with nearly unlimited bandwidth.
