[Link to meeting guide Berlin](#)

As one of the leading coworking and coliving providers, we offer our members not only **work areas and accommodation**, but also **lounge areas, meeting rooms and event spaces**.

Our mission is to provide inspiring environments that encourage creativity, productivity and exchange. On 1,500 square meters in a monumental building complex from the 1930s, there are numerous meeting and conference rooms of various sizes. Next door are the MyToys headquarters, the Rebuy office, the "University of Folk Art" and a growing number of young startups
