

UMWELTFORUM

[Link to meeting guide Berlin](#)

The Umweltforum Auferstehungskirche is a disused church near Alexanderplatz which is older than a century and can host events for up to 400 people. With 18 conference rooms over 1200 sqm, the Umweltforum is one of the larger venues in our list of special locations. The highlight is the 450 sqm former sanctuary with gallery seating, 17 metre high ceilings, and an organ by Eule. Seven seminar and conference rooms can be sectioned off flexibly with movable glass walls.
