

BERLIN'S SPORTING LIFE – CONQUER EUROPE'S MOST FASCINATING CITY TODAY

[Link to meeting guide Berlin](#)

The traces left on the city by past changes, reunification and today's zeitgeist are as exciting as any thriller. We design creative programmes, well-balanced activity trips – close to the action, exciting, sportive, ecological and authentic. For our tour of discovery, we travel in style in classic cars, enjoy a carbon-neutral stroll or take to two wheels. We have already taken journeys dancing and walking, paddling our own canoe, or gliding silently in hot-air balloons. It's impossible to be bored in a city with every type of sport you can imagine!
