

SHOPPING SCOUT TOUR: BECAUSE I'M WORTH IT!

[Link to meeting guide Berlin](#)

During this tour your scout reveals the novelties and introduces you to a cool selection of underground shops, hidden boutiques and creative stores. With lifestyle on a high level, you not only discover and buy fashion but learn a lot about trends and the rising creative talents of the city. Berlin celebrates its international reputation as the creative metropolis. We will show you why!

For gourmets and cosmopolitans we offer exclusive tour experiences. Our concept is "Go Local" with individual tours on request. We are not Sauerkraut!
