

"CURLING AROUND THE YEAR"

[Link to meeting guide Berlin](#)

Strengthen your team spirit while curling in our newly asphalted curling arena. Accompanied by music and, on request, a presenter, you compete in teams against each other. Enjoy delicious snacks, such as our original Austrian Kaiserschmarrn (sugared pancake with raisins). Certificates for the first three ranks are included. Depending on the number of participants, you should plan for 1.5 to 2 hours' time.

"Curling as a team event (in summer, too!!) – puts you in a very good mood." (Hotel rating portal, August 2012)
