

MISSION ACCEPTED – AND ITS 60-MINUTE LIVE ESCAPE GAME

[Link to meeting guide Berlin](#)

One hour of sheer adrenalin – rather than bowling, sightseeing, hiking trails or rock climbing. An escape room is THE alternative for special team events. In our Berlin Escape Rooms, every player can contribute their own particular strengths – whether in a group with the entire company or a team. You tell us the number of players and your individual focus, and we prepare a customised package of fun, action and team experience – where every mission can only be successfully solved as a team!

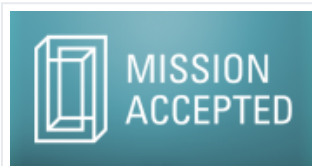

Book your unique experience in our fully equipped location for your team – whether as a mobile version in your own offices or conference hotel, or in our fully equipped game rooms.
