

ARCHITECTURE & URBAN DEVELOPMENT

[Link to meeting guide Berlin](#)

Let us show you Berlin from the exciting perspectives of urban development and architecture. Many famous architects have left their mark on Berlin, including Bruno Taut, Mies van der Rohe, Walter Gropius and – after the fall of the Wall – Daniel Libeskind, Renzo Piano and Sir Norman Foster. In addition to Berlin's diverse architectural landscape, we introduce you to the challenges the city's developers have had to face, particularly with regard to the Berlin Wall that ran through the heart of the city and along the Spree. Contact us and we'll happily arrange a program that's tailored to your interests.
