

ADMIRALSPALAST

[Link to meeting guide Berlin](#)

The **grand auditorium** with its 1.600 seats, two balconies, the big stage and the impressive chandelier shapes the heart of the Admiralspalast.

The hall's biggest advantage is its versatility. It is possible to remove the chairs on the ground-floor with an air-cushion-system to provide space for other seating arrangements.

On 4th floor you find the industrial style **Studio**, perfect for up to 445 guests in theatre seating. Other seating arrangements are also possible by raising the tribune under the ceiling.

The **F101** on 3rd floor completes the many possibilities for events with up to 200 guests.
