

FABRIK 23

[Link to meeting guide Berlin](#)

A factory more than 100 years old, hidden in a backyard in Berlin, an authentic, not "overhauled" industrial ambience, which can no longer even be found in this form in Berlin. We want to create our own cosmos in each of our lofts. A dream world that is coherent down to the last detail, whose originality is intended to inspire people. Meanwhile ARCHITECTURAL DIGEST, the world's most renowned magazine for interior and design, counts Fabrik 23 among the 20 fulminant locations to celebrate worldwide, because it captures the atmosphere of this constantly changing city like hardly any other place in Berlin.
