

## EXCLUSIVE SHOWROOM VISITS: PRIVATE SHOPPING FOR TRENDSETTERS

[Link to meeting guide Berlin](#)

Absolutely extravagant is a privately booked personal talk with designers while enjoying a glass of champagne at an aspiring fashion label. Besides, upon request we realize small fashion shows. Of course you always have the chance to shop in an exclusive and intimate atmosphere off-mainstream.

We organize private studio visits as well as small defilees, talks or fashion drawing as a teambuilding event.
