Berlinagenten is well known as one of the most creative lifestyle tour agencies in Berlin. Since the start we made headlines worldwide with shocking the American Pie Starlet Tara Reid with a visit to notorious KitKat club, showing Madonna's daughter Lourdes the underground scene and introducing actor Shidô Nakamura (Letters from Iwo Jima) to the hip and sexy Berlin. Berlinagenten specialises in curating and facilitating lifestyle tours, entertainment, cool hunting and incentive activities for demanding companies, trendsetters, celebrities and individual travelers from all over the world.
