

PULLMAN BERLIN SCHWEIZERHOF

[Link to meeting guide Berlin](#)

Casual chic and modern design with the typical 'cheeky' style of Berlin: . With more than 377 rooms and suites the hotel combines avant-garde interior design with simple functionality. 18 conference rooms with 1,610 square meters in total are exclusively available to meetings and business trips, among these are a ball room with 692 square meters as well as the innovative Business Playground. The latter is based on a Pullman-launched meeting concept that deliberately breaks with the conventions of previous meeting and discussion rooms in order to create space for creativity.
