[Link to meeting guide Berlin](#)

The Party Rent Group is an Europe-wide event supplier with 24 locations and more than 950 employees in nine countries. For more than 25 years, we have been implementing holistic equipment concepts for events and combining this with logistics that are adapted to the needs of the event industry. In a nutshell: Together with you, we design ideas for room concepts, visualize your ideas with CAD plans and renderings, deliver your own designs and rental items of high-quality brands and, last but not least, take care of the assembly and dismantling with our own staff. Both on small private events, and on large events.
