Our house is divided into 3 floors and combines the distinctive restaurant, bar, club and the extravagant event areas of around 1,000 m².

Here, company events can be held for up to 800 people. We offer you the best conditions for photo- and filmshootings, workshops, showcases, conventions as well as fashion and product releases.??

1.0 Restaurant | 2.0 Bar | 3.0 Club | 4.0 Events

1.0 Restaurant

In our restaurant you can choose between numerous German-French delicacies.

The American Southbend Grill makes the meat particularly delicate and gives it special roast aromas.

Our trained staff will help you to find the right wine from the extensive menu. A total of 80 guests can be accommodated here.

On the Gallery on the first floor you have a nice view of the restaurant. Here we can place up to 60 guests.

On the terrace we can accommodate up to 100 guests in an idyllic atmosphere in the summer season.

The restaurant is open daily and is already worth a visit.

2.0 Bar

A touch of long past jazz and swing times describe the atmosphere of the bar best.

The smoke of a cigar elegantly makes its way through one of the many light cones, which make drinks and cocktails at the bar majestically appear like works of art.

The professional bar team will find space and a muse for creative drinks, which are not infrequent, even for connoisseurs.

The bar is open seven days a week, from 6 pm

3.0 Club

Enjoy a drink in the bar or create the right base for an unforgettable Berlin club night in the restaurant.

The Grand brings everything under one roof. Then it goes one floor higher in our club, which comes with classic Berlin flair.

If that is not enough, the second floor will be able to expire very well until the early hours of the morning. Thanks to a sophisticated lighting concept, these rooms can also be perfectly integrated into your events.

The club is always open Fridays and Saturdays, from 11 pm
