

Organizing Pharma-Code compliant meetings at the Courtyard by Marriott Berlin City Center

The Courtyard Berlin City Center is the right place for your pharma code compliant meeting.

We provide specially trained staff with a thorough understanding of the pharmaceutical compliance code and current German laws, to support you by planning and organizing your pharmaceutical conferences.

Our staff underwent a rigorous training workshop by the FSA that introduces the FSA code and outlines its application to events for pharmaceutical, medical and healthcare businesses.

We offer a daily delegate rate which does not exceeds 60 EUR, according to the FSA guidelines.

Our daily delegate rate includes the following services and can be booked at a minimum of 10 delegates:

- A selection of various tea and coffee specialties, natural flavored water and usage of the candy station in the foyer which is available one hour prior to the meeting until the end of the meeting.
- Conference room according to the number of Participants.
- Technical equipment: projector, screen and flipchart
- WiFi for all participants
- Two coffee breaks in the morning and afternoon including tea, coffee, a rich selection of snacks, fruits and pastries
- Lunch buffet or 3 course menu at Chef's choice
- Unlimited mineral water and apple juice in the conference room and with the lunch

Our services:

- Customized daily delegate rate for medical and pharmaceutical companies: service share does not exceed 60 EUR, according to the FSA guidelines
- trained staff with a thorough understanding of the pharmaceutical compliance code and current German laws
- Wi-Fi is available in the whole Hotel, also included in the daily delegate rate and room rate
- Public car park with direct access to the hotel – 130 parking spaces
