Hotel Berlin, Berlin

Willkommen im Kiez!

At Hotel Berlin, Berlin, we carry this lively and constantly reinterpreting city not only in our name, but also in our heart! Directly on the pulse of the capital, Hotel Berlin, Berlin is a lively meeting place, a place to be inspired, to get in touch with people and to experience the local community.

HIGHLIGHTS:

701 rooms and suites, each with comfortable facilities, unique design features and state-of-the-art technology.
48 flexible event spaces with a total area of over 3,000 m²

Full event services including catering and accommodation, with easily combined options ideal for events and conferences of every kind.

Generous pre-function area and separate meeting and dining areas for up to 400 people.

Fast and secure high-speed internet in all areas of the hotel.

Your success is our Agenda

With its certified Conference & Event space that contains 48 rooms, Hotel Berlin, Berlin is an ideal place for events and conferences of every kind.

HIGHLIGHTS:

State of the art technical equipment and support including:

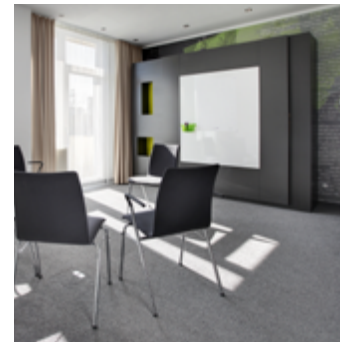

Powerful projectors for brilliant presentations and sharp imagery (each 3 x 20,000 lumens)

Wireless presentations, digital flip charts, high-end microphones.

Tailored conference app with live voting, messaging and area planning.

The unique event concept, The Arena, in cooperation with music producer René Rennefeld.

In-house guest services.

Room to expand

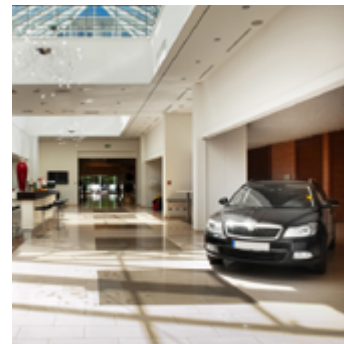

Take advantage of our unique and generous branding options to ensure your event is a success from the first glance! We make it possible to present your company and stage your event with eyecatching, integrated branding tailored to your requirements.

HIGHLIGHTS:

LED Panels: greet your guests in a powerful and unique way. Our LED media banner encircles the entire hotel lobby.

Lighting: the outer Hotel facade, as well as the reception and the Bar areas can be illuminated in your corporate colors.

Our professional team are available around the clock to keep things running smoothly.
