EVENT SPACES

This architectural icon was built in 1964 on one of the capital's most popular streets: Karl-Marx-Allee in the heart of Berlin.

As a wine bar, nightclub and tea shop, the property was an eclectic mix of everything and a central meeting place for A-listers. After extensive renovations, the former restaurant re-opened in 2009 as a multi-purpose venue.

The heritage-listed establishment is particularly distinguished by its historic elements. Numerous details have been preserved from its early years giving it an unique charm. These include the elaborate wall mosaics, the illuminated lettering and the Sputnik satellite at the main entrance.

The floor-to-ceiling windows and atrium style are additional trademarks of the building, whose light-filled rooms offer patrons generous, unparalleled transparency.

EVENT SPACES

Almost 2,600 sq m of function space stretches over three floors providing enough room to hold any kind of event.

The heart and soul of the venue are the two large halls - „Almaty“ on the ground floor and „Moskau“ (Moscow) on the upper level.

10 more rooms offer lots of space for workshops, lounges, buffets and much more.

To guarantee you maximum flexibility the entire venue comes without furniture and almost all rooms feature mobile partition systems, which enable easy modifications and variations.

A curtain system with blackout curtains allows to darken the rooms for projections.

The Cafe Moskau includes two popular outdoor areas, which are ideal for receptions, catering and breaks outdoors.

The Atrium in the center of Cafe Moskau and enables direct access to the foyers, the hall Almaty, and the rooms Jerewan (Yerevan), Duschanbe (Dushanbe) and Bischkek (Bishkek).

The Rosengarten (rose garden) with its very own charm, water feature and roses enables direct access to the rooms Asgabat, Duschanbe (Dushanbe) and Jerewan (Yerevan).

Get impressed by the charm of Cafe Moskau and arrange a site inspection with our team.

We are looking forward to welcoming you!
