BEVERAGE PACKAGES

We offer many kinds of beverage packages whether you need a standard conference package, organic beverages or customized cocktails.

COCKTAILS & LONG DRINKS

In cooperation with our partner Barracuda Barcatering we can offer you a wide range of drinks. Give your event an unique touch with a cocktail created specially for your event, show barkeepers or a cocktail tasting.

COFFEE SPECIALITIES

Each beverage package can be upgraded with coffee specialities. You can choose between an automatic and an italian coffee maschine with a barista who will fascinate your guests with artful Latte Art.

MOBILE BAR SYSTEM

We offer our mobile bar systems including differently coloured LED lights as well as mobile shelves and fridges. The bar systems can be placed in individual positions fitting your room concept.

You can choose between straight and concave elements, which are made of aluminium profiles and white acrylic glass. All elements can be branded with your logo and individually coloured with the installed LED system.

When it comes to branding your event, the exterior facades of Cafe Moskau feature two banner spaces (3.41 m x 12.55 m and 3.41 m x 6.48 m) providing room for your personalised banner with high visibility. Set-up and dismantling is always performed by our regular partner. We will be glad to assist you with the banner production. Exact requirements for the printing templates are provided upon request.

Another branding option is to affix stickers to areas such as windows, the mobile bar system or cloakroom counters.
