

An aerial night photograph of the EUREF tower, a tall, cylindrical structure with a complex metal lattice facade. The tower is illuminated from within, and its upper section features a circular arrangement of twelve glowing yellow stars, similar to the European Union flag. In the center of this star arrangement, the word "EUREF" is displayed in a glowing, outlined font. The tower stands prominently in a cityscape at dusk, with other buildings and streetlights visible in the background under a dark blue sky.
