- Key account management & economic processes

Destination & Logistics

- DMC services in all of Germany & DACH
- Proven supplier network & long track record

Cruise Services

- Dedicated teams in major ports & rivers
- Excursions, turn-arounds & hotel programs

Event Technology

- All-in-one platform for modern event solutions
- Delegate management

01 Personal Approach

„It's all about the details“

With years of experience and numerous successful events, we always match our valuable customers with a suitable and seasoned event manager who truly understands their needs.

02 100% Transparency

„Challenge accepted“

We love challenges from our customers, but we also provide honest feedback and avoid making unrealistic promises.

03 Reliability & Trust

„By failing to prepare, you are preparing to fail“

We stand by our clients every step of the way, from planning the event to the departure of the last guest, ensuring a seamless and successful experience.

04 Creative Proposals

„Think outside the box“

We take the time to deeply understand our customers' wishes, allowing us to create unforgettable and unique events tailored to their vision.

Shared success through strategic partnerships.

Strong Industry

Benefit from our extensive connections within the event industry.

Event Masterminds

Leverage our collective creativity to make your events stand out.

Your partner in crime

Take advantage of our in-depth knowledge to enhance your plans and pitches.

Event Technology

Ensure a smooth and professional guest experience with our streamlined, fully integrated invitation system—Saving you time and maximizing engagement!
