The image shows a minimalist interior space. In the center, a large, light-colored rug with a bold black and white diamond pattern hangs from the ceiling. Below it, two bright blue wire chairs with black cushions sit on a smaller, patterned rug. To the left, a wooden coffee table with a glass top holds a vase of dried flowers. To the right, a tall, narrow wooden cabinet with a wire mesh door is filled with books. The room has white walls, a concrete floor, and a large window in the background.
