

Your event at Quartier Zukunft

Quartier Zukunft

Your future starts here – let's shape it together!

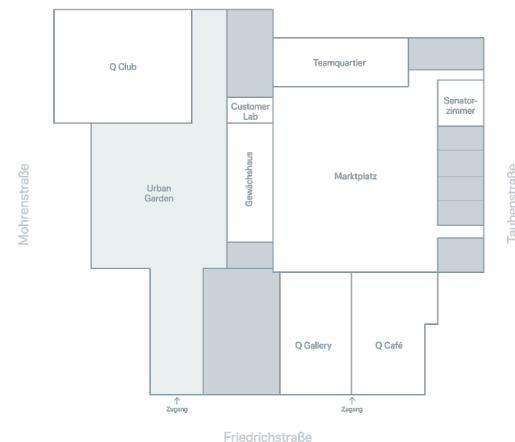

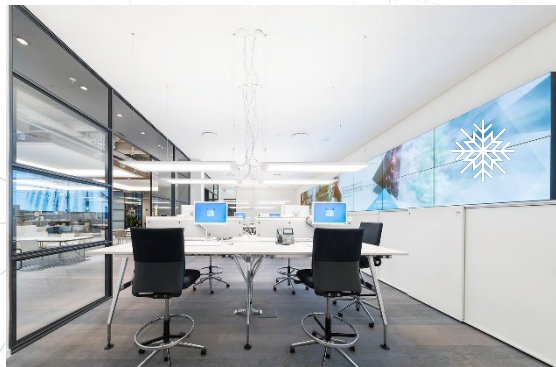

At Quartier Zukunft, we have created an environment that fosters development, growth and creativity. It's the perfect venue for your event! It is a place full of dynamism and drive, where you can face the challenges of the future with confidence.

Our concept is based on four pillars: **inspiration**, **coaching**, **innovation** and **community**.

These dimensions will support you on your journey towards a successful future, shaping the unique experience we offer.

Discover how these four cornerstones influence our programme, mindset, architecture and atmosphere, and experience for yourself how we put these ideas into practice.

Visit us at the vibrant Q Gallery, a place for new and inspiring ideas. We showcase changing exhibitions here, pick up on current trends, and offer innovative products a stage in our pop-up stores.

Marktplatz

The central marketplace is the heart and hub of Quartier Zukunft. In the middle of this open, indivisible area, no goods are traded, but ideas, strategies, and innovations are exchanged and examined together.

It's the perfect place, offering flexibility and a customisable space that can be used according to your wishes.
