SPINDLER & KLATT

THE LOCATION

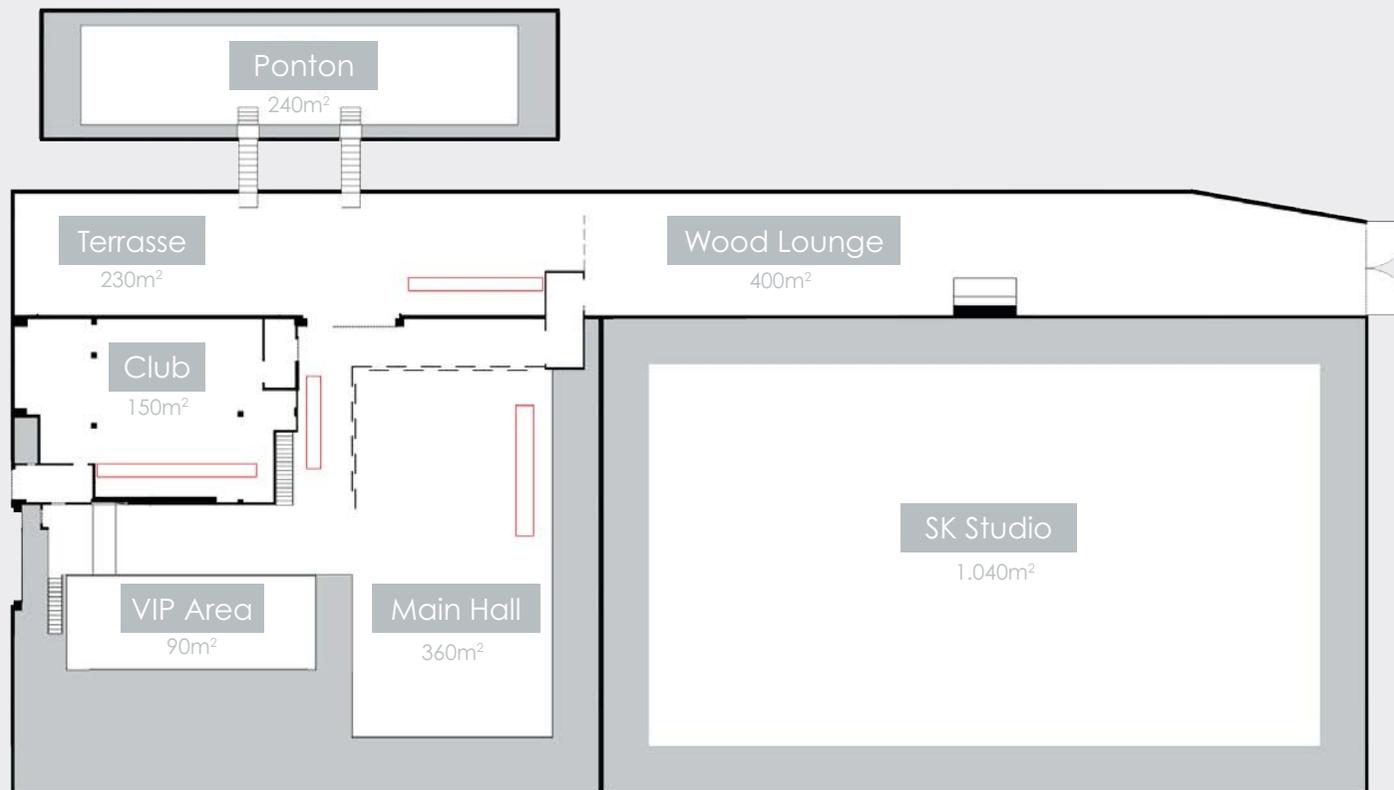

Welcome to Spindler & Klatt – a multifunctional event venue in the heart of Berlin, perfect for both large and small event concepts!

Here, original Asian antiques blend with a modern, industrial furniture concept. Our microcosm, located directly by the Spree River along the former East-West border, embodies the typical Berlin confidence, versatility, and international appeal.

MAIN HALL

The Main Hall impresses with around 350 m² of space and stylish sand-colored gauze, creating an inviting and warm atmosphere.

The room accommodates up to 500 guests with flexible mixed seating or up to 200 guests with elegant gala seating.

The spacious 48 m² stage is ideal for versatile shows – from acrobatics and LED performances to live bands. Our 36 permanently installed screens and the impressive 5.5 m x 3 m LED wall offer numerous opportunities for customized branding and presentations.

SPINDLER & KLATT VIP AREA

The vip area, located above the overseas containers, is a flexible area with a fantastic view of the Main Hall.

Equipped with stylish lounge chairs and tables as standard, the space can be individually customized thanks to its modular design. From long tables and banquet seating to high tables for casual party settings or row seating for breakout sessions.

With space for up to 150 guests, the vip area is ideal for creative breaks, as a retreat, or can be used as a lounge area.

CLUB

The club impresses with its compact size and cozy atmosphere. Spanning 165 m², it features impressive Asian sculptures and a stylish, long bar as the centerpiece.

The warm lighting mood, the characteristic light bulb walls and the low ceiling height create an intimate and inviting club atmosphere with air conditioning for up to 250 guests to dance without breaking a sweat.

Whether as an exclusive VIP area, a gaming zone, or an additional dance floor – the club offers versatile usage options.

WOOD LOUNGE

The Wood Lounge is a spacious entrance area with a waterfall and an attractive outdoor ambiance.

The furniture includes cozy lounges, beach chairs, and high tables. Lush plants contribute to the natural atmosphere, creating an inviting space for guests.

For the evening hours, the Wood Lounge is equipped with a sound system and ambient lighting.

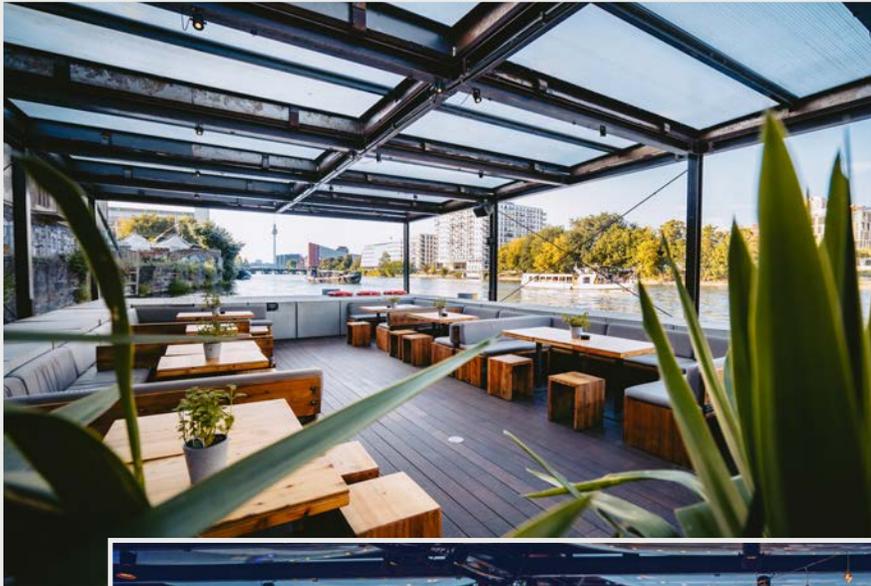

SPINDLER & KLATT TERRACE

The covered terrace can be used in any weather and offers flexible protection from wind and weather thanks to transparent, movable side walls. The installed heating system ensures comfortable conditions even in winter.

With various seating arrangements and the extensive bar, the space can be customized for different purposes.

The terrace is directly connected to the Main Hall and the ponton, allowing for a seamless transition between the areas.

SPINDLER & KLATT PONTON

The former coal barge offers a beautiful view of the Oberbaum Bridge, the TV Tower, and the East Side Gallery – three of Berlin's most famous landmarks, making it one of the most exclusive event spaces in Berlin.

From the terrace, two staircases lead to the covered "floating event space," which accommodates around 120 guests.

SPINDLER & KLATT STUDIO

The studio is an extension of Spindler & Klatt and offers a large, industrial hall with plenty of space for various event formats.

The basic equipment includes lighting and sound technology, and four movable truss systems allow for customized adjustments to the technical setup as needed.

The impressive 9x5m LED wall is permanently integrated into the venue and creates striking visual effects. Directly below it is a 10x4m stage with a show staircase and side access, allowing flexible use for various performances.

SPINDLER & KLATT AGENCY & CATERING

The events at Spindler & Klatt are organized by the agency 24/7 Event, which specializes in the trade fair and event sector.

The experienced kitchen team offers a wide range of culinary options and has many years of experience in event catering to meet almost any customer request – whether it's a buffet, finger food, BBQ, or an elegant gala dinner.

ARRIVAL & DELIVERY

On the forecourt of the venue, guests can be dropped off directly by buses at the entrance, with the buses being able to easily exit the area via a turnaround loop.

In the courtyard, up to 35 exclusive parking spaces are available, which can be rented upon request.

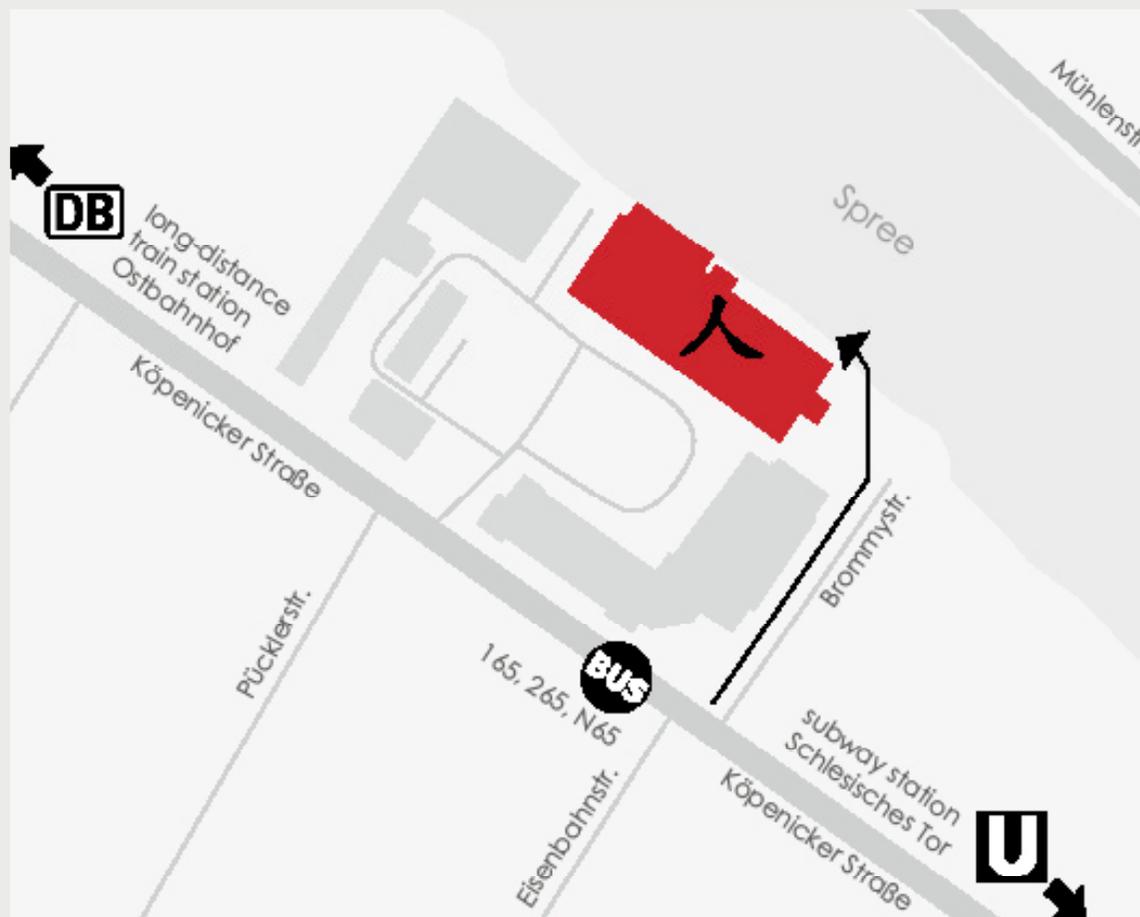

Delivery for trades and service providers is straightforward, as all areas are easily accessible at ground level. Furthermore, there is the possibility for vans and trucks to drive flush to the venue gates to facilitate unloading.
