

# “Serious” Teambuilding

Fact-based, interactive  
& effective

Our workshops impart  
**knowledge and build skills** to help  
you **tackle today's challenges.**

**PRISMA**

And yes, it makes  
you think, but it's  
also **great fun!**

# Why “Serious” Teambuilding?

**Learn through play!**

**Raise awareness!**

**Get active together!**

*We often  
hear ..*

“It’s actually fun,  
and everyone  
gets involved.”

“Suddenly it all makes  
sense. If only I’d known that  
sooner!”

“These workshops  
inspired us to make  
a difference.”

The latest scientific findings  
presented in an accessible and  
entertaining way.

Recognise the scope for action  
(both in your personal life and  
within your organisation).

Get inspired to explore  
these topics beyond  
the event.

# What our participants say:

**Janina Maike Roosen**

Marketing & Sustainability  
Kleinanzeigen

*"The interactive, cross-functional format created a shared foundation and sparked meaningful discussions about our role and responsibility as a business."*

**Alizé Monville**

Venture Development Manager  
mobile.de

*"The workshop was very engaging and a great team-building experience. I particularly enjoyed how the debrief was adjusted to our industry and I will use these learnings for our sustainability strategy!"*

**Laura Scherer**

Founder & CEO  
Circu:Culture

*"It was insightful and very refreshing for me. The workshops was led very confidently and pleasantly and I'm looking forward to more workshops from the portfolio."*

Organisations that place their trust in us

# Our workshops ...

... stimulate **all cognitive levels**, from knowledge acquisition to creative problem-solving.

... combine team-building with in-depth learning experiences that **foster greater cohesion and long-term success**.

... are based on the **latest scientific research\*** on climate, the economy and ecosystems.

## Taxonomy of Educational Objectives

# Our 'Serious' Topics

No prior knowledge is required for any of the topics!  
Please get in contact with us for more details about your desired topic.

## **Climate Change**

What will happen if we don't act now?  
And what if we do?

## **Biodiversity**

Fragile, but not weak. How much diversity is needed to overcome crises?

## **Digitalization**

What if the greatest environmental impact is the one we can't see?

## **Future Scenarios**

How can we achieve a way of life that is in harmony with the planet by 2050?

## **Circular Economy**

What if everything we throw away is actually a raw material?

## **Regenerative Economy**

How do you build a business that gives back more to the planet than it takes?

Workshop or talk? [How would you like to explore the topic? ...](#)

# What we offer

Bestseller!

## Full workshop

In teams at large tables

3 – 4 hours

7 – 200+ people

## Teaser workshop

In teams at large tables

30 – 90 mins

7 – 200+ people

## Interaktive talk

Stage / Frontal performance

20 – 90 mins

20 – 5,000+ people

Let's take a closer look at the formats ...

# Full workshop

## Key benefits

- **Together**, you'll bring the **'big picture'** into focus
- **Playfully grasping complex systems** (e.g. circular economy)
- **Discuss initial solutions** for yourselves, your team and society, **and decide on the next steps**
- **Feel encouraged to put your insights to use** even after the event

## At a glance

3-4 hours, 7-200+ people, 4-7 people per table, insightful and inspiring thanks to globally recognised workshop formats

"Gain a clear understanding in just 3 hours with expert guidance."

PRISMA

Let's look at a specific example ...

An example of a full workshop (here 3 hours, on the topic of climate change)

**1. Discover the system behind climate change with 42 cards (90 min.)**

**2. Consolidate and reinforce what has been learnt (30 min.)**

**3. Generate ideas and discuss solutions (60 min.)**

A video about this topic (not from Prisma)

Watch on YouTube

# Teaser workshop

## Key benefits

- **A flexible, interactive format** lasting between 30 and 90 minutes
- **Learn the basics of a complex topic** in a fun, engaging way
- **Share your perspectives** and explore why there isn't just 'one' solution
- **Get an overview of the entire workshop** and what it can achieve within an organisation

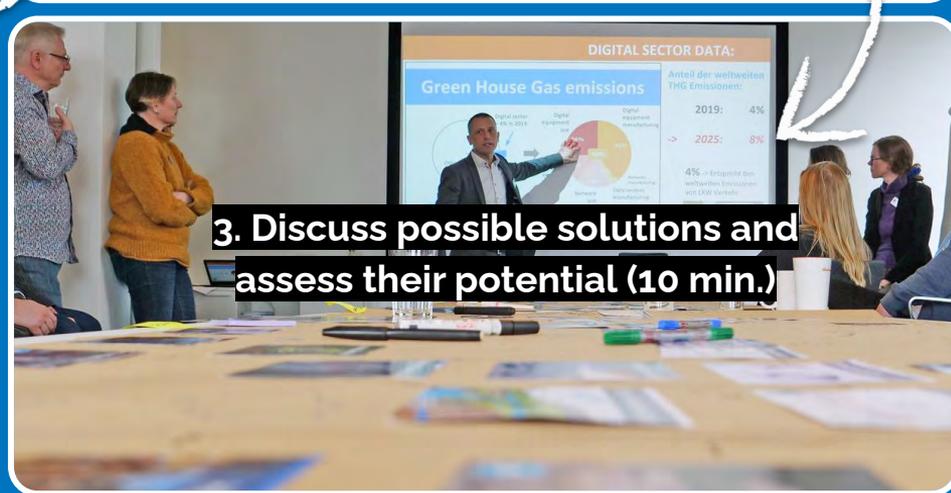

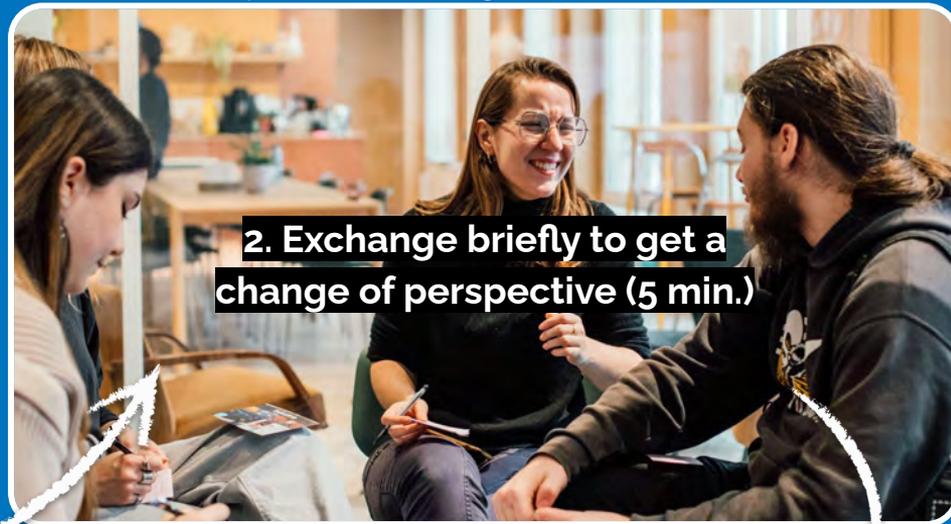

## At a glance

30–90 mins, 7–200+ people, 4–14 people per table, a brief overview of internationally recognised workshop formats

"A quick start,  
entertaining and gripping"

An example teaser workshop (here 30 minutes, on the topic of climate change)

# Interactive talk

“An entertaining talk with depth”

## Key benefits

- **An interactive, TED Talk-style stage format** with no limit on the number of participants
- **Gain a clear perspective** within the context of the bigger picture
- Find out **where everyone present stands** on this issue, and **what their thoughts on it are**.

## At a glance

20–90 mins, unlimited participation for 2 facilitators, online and offline versions, participants using their own device

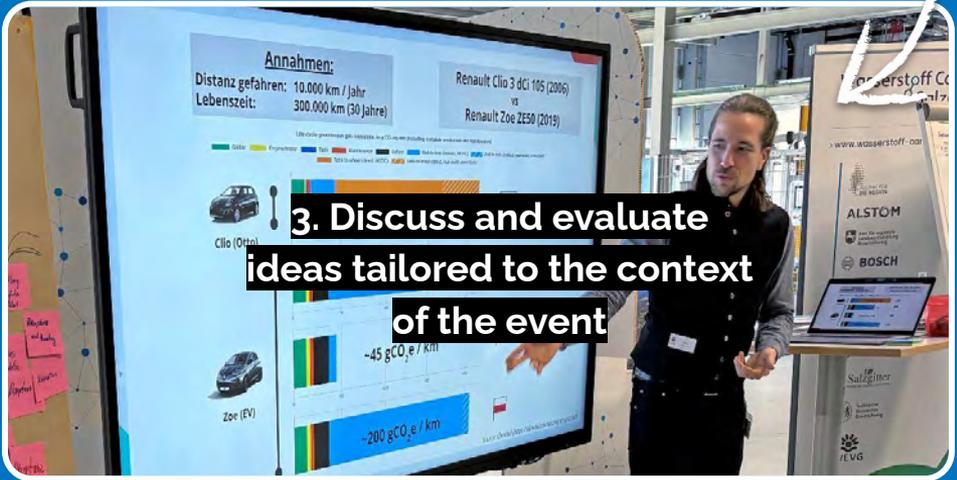

**1. Grasp the complexities of climate change as a 'big picture' issue. (90 min.)**

**2. Interact with own smartphone**

**3. Discuss and evaluate ideas tailored to the context of the event**
