WELCOME ABOARD THE SHIP RESTAURANT & BAR [SPREE FUMÉE]

Located in the heart of the historic harbor on the Spree, this unique venue blends maritime history with modern design. A ship restaurant & bar, a terrace on the water, and a gathering place for soulful evenings – offering views of the Spree and the Berlin TV Tower.

This is where maritime nostalgia meets urban ease. A relaxed atmosphere meets culinary craftsmanship. Our kitchen serves Asian tapas from steam baskets and the charcoal grill – light, aromatic, and perfect for sharing. At the bar, we craft unique cocktails inspired by classic recipes and modern influences.

A place that lives, connects, and surprises – from dinner by the water to special events for up to 300 guests. Come on board and discover the possibilities of the Ship Restaurant & Bar Spree Fumée.
