& CULTURAL SPACE**

MESSEDAMM 23 14055 BERLIN WWW.AVUS-TRIBUENE.COM

The AVUS Tribüne is a historic and distinctive event venue located in western Berlin. Originally built in 1921 as part of the famous AVUS racing circuit, it combines motorsport heritage with modern event infrastructure. Today, the venue offers a flexible space for cultural happenings ranging from corporate events to club nights, all set within a unique architectural landmark.

With its distinctive architectural character and a memorable atmosphere this place goes beyond the feel of a standard event venue. It is ideal for premium and culturally relevant formats that aim to create an immediate bridge between brand needs and authentic Berlin nightlife credibility.

AVUS is experienced in both commercial and cultural events and has custom branding opportunities that can be integrated across screens, lighting and spatial staging.

AVUS enables day-to-night event concepts: from presentations, talks or curated dinners to evening receptions and club formats.

A fully equipped kitchen infrastructure, including food elevator, supports high-quality catering concepts alongside a modular bar setup.

Supported by an experienced venue and operations team the space is suitable for brand launches, corporate events, showcases, cultural gatherings and nightlife formats. Even programming, DJ curation and artist booking can be developed in collaboration.
