

TIO TIO Rooftop

A sports oasis in the heart of Berlin

TIO TIO Social Sports

A social padel brand with contemporary look and feel

We started playing padel some years ago in Stockholm. Although nobody of us has tried it before, we noticed very fast: "It is the best sport in the world!". TIO TIO celebrates the traditional padel culture, but takes it to another level, which is inspired by modern urban lifestyle and fashion.

TIO TIO delivers the full padel experience: from unique padel venues and community-driven events to our own product lines and the TIO TIO Academy. Everything we do is driven by one vision: building urban communities through the power of sport.

TIO TIO is an urban community of people who are passionate about doing sports together. With TIO TIO, you don't win by being the best - you win by having the most fun and the best time with your friends on and off the court.

TIO TIO Rooftop

Germany's first rooftop padel venue and a social place to meet and connect.

The TIO TIO Rooftop is a state-of-the-art padel facility in the heart of Berlin. Located on the top floor of a parking garage, it features five outdoor padel courts, a bar, a brand showroom, and multiple spaces to relax and connect. It is more than just a place to play, it is a destination for sports, lifestyle, and community.

TIO TIO has set out to make the Rooftop a benchmark in sustainability and a role model for modern urban planning and design.

The TIO TIO Rooftop is home to Berlin's growing padel community, a hub for international visitors, and a symbol of how sport, culture, and architecture can merge to create the future of urban living.
