REFERENCES OUR SATISFIED CLIENTS

"Since 2019, the state's most important business prize, the "Brandenburg Future Prize", has been awarded at the HOLIDAY INN BERLIN AIRPORT CONFERENCE CENTRE in Schönefeld. The hotel's event management is first class. From the initial consultation to the technical set-up and equipment, right through to the buffet and service in the evening, we always feel that we are in very professional hands. For this reason, the Future Prize will continue to be awarded here at the hotel."
