

FLORAL DESIGN FOR EVENTS & SPACES

LUST.6 is a contemporary floral studio based in Berlin, bringing together floristry and creative direction for events, brands and spaces.

EVENT FLORALS & TABLESCAPES

Sculptural arrangements and bespoke table concepts for brand dinners, corporate gatherings, launches and private celebrations.

BOTANICAL INSTALLATIONS

Floral and botanical interventions for events, exhibitions, retail spaces and brand activations, from individual sculptures to large-scale installations.

SET DESIGN & SPATIAL CONCEPTS

Creative direction and spatial concepts developed with collaborators across set design, fabrication and production.

WORKSHOPS & FLORAL EXPERIENCES

Hands-on floral workshops for corporate teams, private groups and brand events, at the venue or at the LUST.6 studio.

WORKING WITH LUST.6

From initial brief to on-site execution, each project is developed around the space, audience and visual direction of the event.

HOW WE WORK

01 Concept and visual direction: moodboards, references and design development.

02 Design and production: sourcing, planning and preparation.

03 On-site installation: delivery, styling, setup and collection where required.

ONGOING FLORAL DELIVERIES

Weekly or bi-weekly arrangements for offices, hospitality venues, retail spaces and other interiors, developed to complement each space.
